Commissioner of Patents and Trademarks  
Washington, DC 20231

Prior to the examination of the above-identified patent application, the Examiner is respectfully requested to amend the specification, claims and abstract as follows:

Please cancel claim 55 (second occurrence) on page 29, lines 10 and 11 without prejudice or disclaimer.

---70. The process of claim 54, wherein the blowing element is positioned inside a loop of the outer belt in the area of the separation point.---

The Examiner is respectfully requested to enter the foregoing amendment prior to examination of the above-identified patent application.

Should there be any questions, the Examiner is invited to contact the undersigned at the below listed number.

Respectfully submitted,  
Thomas THORÖE SCHERB et al.
